

Exhibition checklist

From 90 days before the show to the follow-up after it. Check the exhibitor manual for your show's exact dates.

90 days or more before

- ☐ Set goals for the show and how you will measure them
- ☐ Agree the budget: space, stand, services, travel and hospitality
- ☐ Book your space and get the floor plan and plot number
- ☐ Read the exhibitor manual and note every deadline
- ☐ Choose your stand builder; share the brief, plot size and open sides
- ☐ Decide the products, demos and key messages
- ☐ Plan staff travel and accommodation if needed

60 days before

- ☐ Sign off the 3D stand design
- ☐ Submit stand drawings for organiser approval before the deadline
- ☐ Order power, water and internet through the organiser
- ☐ Confirm screens, lighting and AV; start preparing content
- ☐ Plan shipping of exhibits and samples, including customs
- ☐ Arrange insurance if required
- ☐ Tell customers your stand number and invite them to book meetings

30 days before

- ☐ Send final print-ready graphics files
- ☐ Register staff and order exhibitor badges
- ☐ Confirm furniture, storage and rented items
- ☐ Prepare brochures, samples and giveaways
- ☐ Set up lead capture and decide what data you need
- ☐ Book hospitality if needed
- ☐ Confirm build-up and breakdown times and vehicle access

Final two weeks

- ☐ Brief the team: goals, key messages and shifts
- ☐ Confirm shipping has arrived or is on schedule
- ☐ Pack a stand kit: chargers, extension leads, tools and first aid
- ☐ Check badges, service orders and approvals are confirmed in writing
- ☐ Share a contact list with the team
- ☐ Send reminders to everyone who booked a meeting

Build-up days

- ☐ Have someone from your team on site
- ☐ Check the stand against the approved design, graphics and spelling
- ☐ Test power, lighting, screens and content
- ☐ Place products, samples and brochures
- ☐ Keep the stand clear of boxes; know where storage is
- ☐ Sign off the handover and list any fixes before opening

Show days

- ☐ Short team briefing every morning
- ☐ Keep the stand clean, tidy and staffed at all times
- ☐ Log every lead with their needs and the next step
- ☐ Take photos and video of the stand and activities
- ☐ Follow the organiser's rules on noise, aisles and safety
- ☐ Keep the builder's on-site contact close

After the show

- ☐ Follow up every lead within 48 hours
- ☐ Prioritise leads and pass them to the right salespeople
- ☐ Arrange breakdown, return of exhibits and storage for reuse
- ☐ Review results against goals and costs
- ☐ Write down lessons for next time
- ☐ Set alerts for your next show in the shows calendar
